GB ENGLISH VERSION – Professional Clubs

Motivation Letter – Trial Application / Scouting – Season 2026/2027

Ladies and Gentlemen,

My name is **Renato Israel Orna Pérez**, 19 years old, Ecuadorian player. **Central midfielder – Attacking midfielder – Winger 1.84 m – Left-footed – Explosive, technical and vertical profile.**

I grew up in a professional environment from the age of 15 at **Centro Deportivo Olmedo**. With the youth categories, I scored **19 goals in 12 matches** in the National Youth Championship, proving my ability to be decisive, attack spaces and finish actions.

I represented Ecuador in international competitions:

- **U17 National Team – CONMEBOL Sudamericano 2024**
- **U20 National Team – CONMEBOL Evolución 2025**

These tournaments gave me what professional clubs look for:

- fast decision-making,
- technical mastery under pressure,
- efficiency in 1v1 situations,
- immediate adaptation to high-intensity rhythms.

I also completed a training internship at **Club Deportivo Universidad Católica del Ecuador**, and I continue intensive work at **Centro Formativo Chacaritas**, developing explosiveness, execution speed and game intelligence.

I have just arrived in **Paris**, fully available **immediately** for a trial. Sports insurance, valid documents, full mobility.

What I am looking for in your club

An opportunity. Not a status, not comfort — **a chance to prove myself**.

I am ready to fight for my place, absorb the demands of professional French football and progress every week. I want to join a club that values work, discipline and performance.

What I can bring right away

- A **versatile player**, able to play between the lines, accelerate the game and create dangerous situations.
- A **technical, fast, enduring** profile capable of making the difference in duels.
- A **competitive mentality**, forged in international contexts.
- The ability to **impact immediately** a training session or a trial.

I am ready — ready to step on the pitch, be evaluated, and convince. I ask for only one thing: **a trial to show what I can do**.

Attached are my **sports CV** and a **video link**.

I remain available for any further information or to schedule a trial date.

Respectfully,

Renato Orna
